Block a â€œfadeawayâ€• shot Blocking fadeaway shots can be tricky. This is because the shooter will jump backwards before launching the ball towards the hoop, making it impossible for the defender to swat the ball away.

Block (basketball) - Wikipedia In basketball, a block or blocked shot occurs when a defensive player legally deflects a field goal attempt from an offensive player to prevent a score. The defender is not allowed to make contact with the offensive player's hand (unless the defender is also in contact with the ball) or a foul is called.
